**The Board of Studies (BoS) meeting commenced with the Welcome Address delivered by the Chairperson of the Board of Studies, Dr. G. Chitra Ganabathi, Professor and Head, Department of Computer Science and Engineering.**

The Chairperson welcomed the members and introduced the Anna University Nominee, Subject Experts, Industry Representative, and Internal Faculty Members. She presented the curriculum and syllabi of the B.E. programme for all semesters for the members' review and deliberation.

### **Agenda No. 1: Confirmation of the Constitution of the Board of Studies**

The Chairperson informed the members about the constitution of the Board of Studies for the Department, which had been formed in accordance with the UGC Regulations and Anna University norms. The composition of the Board comprised the Chairperson, Anna University Nominee, Subject Experts, Industry Representative, and Internal Faculty Members.

#### **Resolution:**

The Board of Studies unanimously resolved to confirm and approve the constitution of the Board of Studies in accordance with the UGC Regulations and Anna University norms.

### **Agenda No. 2: Discussion and Approval of the Curriculum and Syllabi for the Academic Year 2026–2027 – Undergraduate Programme**

The Chairperson presented the curriculum and syllabi for the B.E. programme for the academic year 2026–2027 as detailed below:

- **First and Second Semesters:** Curriculum and syllabi under **Regulations 2026**.
- **Third and Fourth Semesters:** Curriculum and syllabi under **Regulations 2025**.
- **Fifth, Sixth, Seventh, and Eighth Semesters:** Curriculum and syllabi under **Regulations 2021**.

The Chairperson informed the members that the curriculum and syllabi for the first-year students would be implemented under **Regulations 2026**, and the End Semester Examinations (ESE) would be conducted by the College.

Further, the members were informed that the curriculum and syllabi for the second, third, and final-year students would continue under **Regulations 2025** and **Regulations 2021**, and the End Semester Examinations (ESE) for these batches would also be conducted by the College.

#### **Resolution:**

The Board of Studies discussed the proposed curriculum and syllabi in detail and unanimously resolved to approve the same for implementation from the academic year 2026–2027. The Board further recommended that the approved curriculum and syllabi be placed before the Academic Council and other statutory authorities for approval, with **Regulations 2026** coming into effect for the first-year B.E. programme.

### Agenda No. 3: Recommendation on the Curriculum and Syllabi under Regulations 2026 – Undergraduate Programme

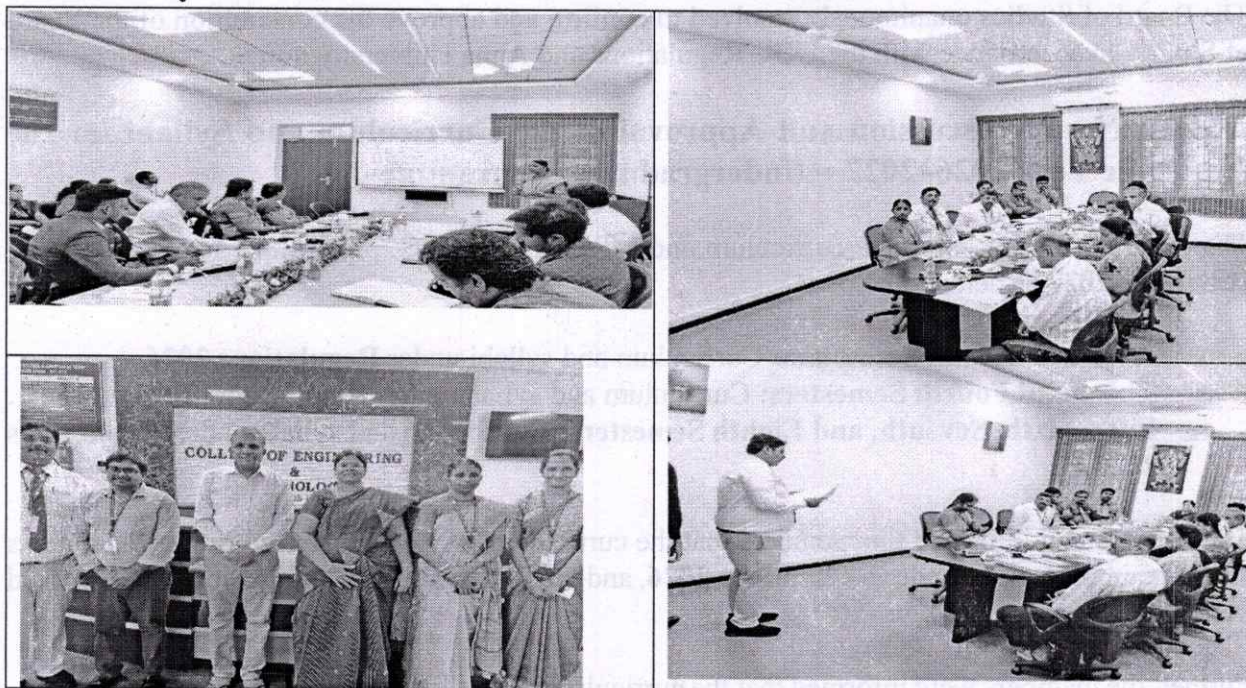

The Board members deliberated on the proposed curriculum and syllabi under **Regulations 2026** for the Undergraduate Programme and made the following recommendation:

#### 1. Cyber Security Essentials

The Board recommended replacing the **Cyber Security Essentials** course in the third-semester curriculum with **Object-Oriented Software Engineering with Agile Methodologies** to better align the curriculum with current software development practices and industry requirements.

The meeting concluded with a Vote of Thanks proposed by **Mr. Dinesh Kumar S., Member, Board of Studies**, who expressed his sincere gratitude to the Chairperson and all the members for their valuable suggestions, active participation, and valuable deliberations during the meeting.
