Write up on the Event	<p>The Department of Commerce (B. Com &amp; M. Com) at CMS College of Science and Commerce (Autonomous) successfully organized an extension activity titled “Community Well-Being – Tree Plantation” on December 30, 2023, near Don Bosco School. This initiative aimed to promote environmental sustainability and raise awareness about the importance of tree plantation in fostering a healthier ecosystem. The program brought together students, faculty, and local community members to plant trees, contributing to increased greenery and enhanced biodiversity in the area. Under the guidance of the Program Coordinator, Ms. S. Anju, and the Head of the Department, Dr.M. Gomatheeswaran, the activity highlighted the significance of collective efforts in combating climate change and improving community well-being.</p> <p>This meaningful event served as a reminder of the role each individual can play in preserving nature for future generations. It was a great success, encouraging participants to embrace environmentally responsible practices.</p>
