Divyangjan Policy

The earlier emphasis on medical rehabilitation has now been replaced by an emphasis on social rehabilitation for the disabled. There has been an increasing recognition of abilities of persons with disabilities and emphasis on mainstreaming them in the society based on their capabilities. The college particularly plays a very important role in this aspect. Although the percentage of disabled persons is very less the college makes adequate arrangements and offers facilities to the students who are disabled in any way. The college is against all kinds of discrimination on any grounds including disability. It follows the legislation by the constitution of India in which persons with disability must be given equal opportunities, have protection rights and be allowed full participation any activity. The college is committed to provide education, employment and create a barrier free environment for all. All the faculty & staff members of the institute shall strive to extend a helping hand towards the differently abled so as to make sure that they benefit from the courses, administrations and activities. Disability sensitization sessions to be a part of the students and Employee induction programme.

OBJECTIVES OF THE POLICY:

- To provide accessible and inclusive education at the college.
